Long Sky Wharton Meadow [Demo]

Wharton County, Texas | 140.00 acres | Illustrative price \$1,680,000

NOT AN ACTUAL OFFERING

On 140 acres in Wharton County, the focus is broad inland hay meadows with oak-lined margins and gently sloping coastal prairie ground. An open-sided pole barn offers covered equipment storage beside the hay meadow. A wide farm gate and low wire fencing complete the improvements, with oak-lined margins breaking up the open ground. There is no house or irrigation system. Cutting history, soils and past management will help a buyer plan the next season. This is inland acreage without beach or bay frontage.
